

Project Information Sheet

PROJECT DESCRIPTION

The project will include the construction of truck climbing lanes north and south of the Toby Nollet Bridge and asphalt resurfacing of Highway No. 21.

The limits of the project are on Highway No. 21 from its south junction of Highway No. 303 to 0.24 km north of its north junction with Highway No. 303; for a total distance of 14.66 km.

PROJECT DETAILS

- The Contract Number for this project is H23038.
- The Contractor for this project is Venture Construction Inc.
- The Contractor's address as indicated in the bidder's signing block is Martensville, SK.
- Contract supervision will be provided by WSP E&I Canada Ltd. personnel.
- Crushing and interim stockpiling of asphalt and base aggregate will start August 8, 2023, and is expected to be completed by August 28, 2023. Roadwork is anticipated to start on August 14, 2023, and be completed by October 15, 2023, weather permitting.
- The travelling public can expect delays and disruptions to their normal travel schedules as traffic will be accommodated through the work zone utilizing one-way traffic guided by a pilot vehicle and/or flaggers. The Contractor will provide traffic accommodation.
- The estimated total cost of this project is \$7.5 million, including materials, construction engineering, and PST.
- This is a Capital Program project in the Northern Maintenance Region.
